Item 4. Purpose of Transaction

Ciner Enterprises acquired Ciner Resources as a long-term strategic investment in soda ash mining and production operations in the United States, a business complementary to others operated by the Reporting Persons and their affiliates outside the United States.

The following describes plans or proposals that the Reporting Persons may have with respect to the matters set forth in Item 4(a)-(j) of Schedule 13D.

(a) The subordinated units owned of record by Ciner Holding are convertible into common units on a one-for-one basis upon the termination of the subordination period as set forth in the Partnership Agreement (as described below). The Issuer may grant common units, phantom units, distribution equivalent rights, cash awards and other unit based awards to employees, non-employee directors of the General Partner or certain of its affiliates, and consultants of the Issuer, the General Partner or certain of its affiliates pursuant to the OCI Resource Partners LLC 2013 Long-Term Incentive Plan adopted by the General Partner. The General Partner may acquire common units for issuance pursuant to the 2013 Long-Term Incentive Plan on the open market, directly from the Issuer, from any other person, or any combination of the foregoing.

(d) The General Partner has sole responsibility for conducting the Issuer's business and for managing its operations and is ultimately controlled by Ciner Holding, its sole member. Certain of Ciner Holding's executive officers and directors also serve as executive officers and/or directors of the General Partner. Neither the General Partner nor its board of directors will be elected by the Issuer's unitholders. Ciner Holding will have the ability to elect all the members of the board of directors of the General Partner. Following the Acquisition and pursuant to the Purchase Agreement, Ceyda Pence and Dogan Pence were added as members of the board of directors of the General Partner.

(a) - (j) The Reporting Persons, as investors in the Issuer, intend to review their investment in the Issuer and have discussions with representatives of the Issuer and/or other unitholders of the Issuer from time to time and, as a result thereof, may at any time and from time to time determine to take any available course of action and may take any steps to implement any such course of action. Such review, discussions, actions or steps may involve one or more of the types of transactions specified in clauses (a) through (j) of this Item 4, including purchase or sale of common or subordinated units, business combinations or other extraordinary corporate transactions, sales or purchases of material assets, changes in the board of directors or management of the Issuer, changes in the present capitalization or dividend policy of the Issuer, changes to the Issuer's business or corporate structure, changes in the Issuer's certificate of incorporation or bylaws, actions that may impede the acquisition of control of the Issuer by any person, shared service agreements, collaborations, joint ventures and other business arrangements between or

involving the Reporting Persons or any affiliate thereof and the Issuer. Any action or actions the Reporting Persons might undertake in respect of the common units will be dependent upon the Reporting Persons' review of numerous factors, including, among other things, the price level and liquidity of the common units; general market and economic conditions; ongoing evaluation of the Issuer's business, financial condition, operations, prospects and strategic alternatives; the relative attractiveness of alternative business and investment opportunities; tax considerations; and other factors and future developments. Notwithstanding anything to the contrary herein, the Reporting Persons specifically reserve the right to change their intentions with respect to any or all of such matters.

Item 5. Interest in Securities of the Issuer

(a) Ciner Holding is the record and beneficial owner of 4,775,500 common units, which, based on there being 9,819,401 common units outstanding as of October 21, 2015, represents 48.63% of the outstanding common units of the Issuer. Ciner Holding is also the record and beneficial owner of 9,775,500 subordinated units, which represent all of the outstanding subordinated units of the Issuer as of October 21, 2015. The subordinated units will convert into common units on a one-for-one basis upon the termination of the subordination period as set forth in the Partnership Agreement.

None of Ciner Resources, Ciner Enterprises, Akkan or Mr. Ciner directly owns any common units or subordinated units of the Issuer; however, each of Ciner Resources, as the owner of all of the ownership interest of Ciner Holding, Ciner Enterprises, as the owner of all of the ownership interest of Ciner Resources, Akkan, as the owner of all of the ownership interest of Ciner Enterprises, and Mr. Ciner, as the owner of all of the ownership interest of Akkan, may be deemed to beneficially own the 4,775,500 common units representing 48.63% of the outstanding common units of the Issuer and the 9,775,500 subordinated units representing all of the subordinated units of the Issuer held of record by Ciner Holding as of October 21, 2015. Accordingly, on a fully diluted basis assuming the conversion of all of the subordinated units into common units, Ciner Holding may be considered to hold a 72.8% limited partner interest in the Issuer.

(b) The information set forth in Items 7 through 11 of the cover pages hereto is incorporated herein by reference.

(c) Except as described in Item 3 above or elsewhere in this Schedule 13D, none of the Reporting Persons or, to the Reporting Persons' knowledge, the Covered Individuals, has effected any transactions in the common units during the past 60 days.

(d) The Reporting Persons have the right to receive distributions from, and the proceeds from the sale of, the respective common units reported by such persons on the cover page of this Schedule 13D and in this Item 5. Except for the foregoing and the cash distribution described in Item 6 below, no other person is known by the Reporting Persons to have the right to receive or the power to direct the receipt of distributions from, or the proceeds from the sale of, the common units beneficially owned by the Reporting Persons or, to the Reporting Persons' knowledge, the Covered Individuals.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

The information provided or incorporated by reference in Item 3 and Item 4 is hereby incorporated by reference herein.

Issuer's Partnership Agreement

The General Partner, as the sole general partner of the Issuer, and Ciner Holding, as a limited partner of the Issuer, and all other limited partners of the Issuer, are party to the Partnership Agreement.

Cash Distributions

The Issuer's cash distribution policy requires it to pay cash distributions at an initial distribution rate of \$0.5000 per common unit per quarter (\$2.00 per common unit on an annualized basis) to the extent the Issuer has sufficient cash from operations after establishment of cash reserves and payment of fees and expenses, including payments to the General Partner and its affiliates. The Issuer calls this quarterly distribution amount the "minimum quarterly distribution" and the Issuer's ability to pay it is subject to various restrictions and other factors.

The Partnership Agreement requires the Issuer to distribute, at the end of each quarter, all of its cash on hand, less reserves established by the General Partner. The Issuer refers to this amount as "available cash."

The Partnership Agreement provides that, during the subordination period, the common units will have the right to receive distributions of available cash from operating surplus each quarter in an amount equal to \$0.5000 per common unit, plus any arrearages in the payment of the minimum quarterly distribution on the common units from prior quarters, before any distributions of available cash from operating surplus may be made on the subordinated units. Furthermore, no arrearages will be paid on the subordinated units.

The Partnership Agreement requires that the Issuer distribute all of its available cash for any quarter during the subordination period in the following manner:

- *first* , 98% to the holders of common units, pro rata, and 2% to the General Partner, until the Issuer distributes for each outstanding common unit an amount equal to the minimum quarterly distribution for that quarter;
- *second* , 98% to the holders of common units, pro rata, and 2% to the General Partner, until the Issuer distributes for each outstanding common unit an amount equal to any arrearages in payment of the minimum quarterly distribution on the common units for any prior quarters during the subordination period;
- *third* , 98% to the holders of subordinated units, pro rata, and 2% to the General Partner, until the Issuer distributes for each subordinated unit an amount equal to the minimum quarterly distribution for that quarter; and
- *thereafter* , in the manner described in the Partnership Agreement taking into account the General Partner's incentive distribution rights.

If cash distributions to the unitholders exceed \$0.5750 per unit in any quarter, the General Partner will receive, in addition to distributions on its 2% general partner interest, increasing percentages, up to 48%, of the cash the Issuer distributes in excess of that amount. These distributions are referred to as "incentive distributions."

The Partnership Agreement requires that the Issuer distribute all of its available cash for any quarter after the subordination period in the following manner:

- *first* , 98% to the holders of common units, pro rata, and 2% to the General Partner, until the Issuer distributes for each outstanding common unit an amount equal to the minimum quarterly distribution for that quarter; and
- *thereafter* , in the manner described in the Partnership Agreement taking into account the General Partner's incentive distribution rights.

Conversion of Subordinated Units

The subordination period generally will end on the first business day after the Issuer has earned and paid at least \$2.00 on each outstanding common unit, subordinated unit and the corresponding distributions on the General Partner's 2% interest, for each of three consecutive, non-overlapping four-quarter periods ending on or after September 30, 2016, provided that there are no arrearages on the common units at that time. In addition, the

subordination period will end upon the removal of the General Partner other than for cause if the units held by the General Partner and its affiliates are not voted in favor of such removal.

When the subordination period ends, all remaining subordinated units will convert into common units on a one-for-one basis, and the common units will no longer be entitled to arrearages.

Issuance of Additional Units

The Partnership Agreement authorizes the Issuer to issue an unlimited number of units (other than general partner units) on the terms determined by the General Partner without unitholder approval.

Limited Voting Rights

The General Partner will control the Issuer and the unitholders will have only limited voting rights. Unitholders will have no rights to elect the General Partner or its directors. The General Partner may not be removed, except by a vote of the holders of at least 66 2/3% of the Issuer's outstanding units, including units owned by the General Partner and its affiliates, voting together as a single class. Because Ciner Holding owns 100% of the interests in the General Partner, it has the ability to prevent the General Partner's involuntary removal.

Limited Call Right

If at any time the General Partner and its affiliates own more than 80% of the outstanding common units, the General Partner has the right, but not the obligation, to purchase all of the remaining common units at a price equal to the greater of (i) the average of the daily closing price of the common units over the 20 trading days preceding the date three days before notice of exercise of the call right is first mailed and (ii) the highest per-unit price paid by the General Partner or any of its affiliates for common units during the 90-day period preceding the date such notice is first mailed.

Registration Rights

Pursuant to the Partnership Agreement, the Issuer has agreed to register for resale under the Securities Act of 1933, as amended, and applicable state securities laws any common units, subordinated units or other partnership interests (other than the general partner interest) proposed to be sold by the General Partner or any of its affiliates or their assignees if an exemption from the registration requirements is not otherwise available. These registration rights continue for two years following the withdrawal or removal of the General Partner as general partner. The Issuer is obligated to pay all expenses incidental to the registration, excluding underwriting discounts and commissions.

The General Partner's Limited Liability Company Agreement

Under the General Partner LLC Agreement (as described below), Ciner Holding has the right to elect the members of the board of directors of the General Partner.

Pledge of Units

As described in Item 3 above, Ciner Holding has pledged the common units and subordinated units it holds to secure the U.S. Credit Agreement, which includes events of default that are customary for loan agreements of this type.

To the Reporting Persons' knowledge, there are no other contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any person with respect to any securities of the Issuer.

References to, and descriptions of, the Partnership Agreement as set forth in this Item 6 are qualified in their entirety by reference to the Partnership Agreement filed as Exhibit 3.1 to the Issuer's current report on Form 8-K filed on September 18, 2013 and Amendment No. 1 to the Partnership Agreement filed as Exhibit 3.1 to the

Issuer's current report on Form 8-K filed on May 7, 2014, which are incorporated in their entirety in this Item 6.
