### **Item 3. Source and Amount of Funds or Other Consideration**

Item 3 is hereby amended in its entirety to read as follows:

Ciner Enterprises and Akkan obtained the funds used in 2015 to acquire the initial investment in the Issuer and pay related amounts from an aggregate of \$50 million of capital contributions from affiliates of Akkan and by borrowing an aggregate of \$400 million under two credit facilities, each dated as of October 5, 2015. The first credit facility was a \$200 million credit facility maturing October 22, 2025 (as amended and restated or otherwise modified, the "Turkish Credit Facility"), between Akkan, as borrower, and Türkiye İş Bankası A.Ş. Kozyatağı Corporate Branch ("Isbank"), as lender, and certain other persons party thereto. Akkan's obligations under the Turkish Credit Facility were guaranteed by certain affiliates of Akkan (the "Guarantors") and are secured by certain assets. The second credit facility was a \$200 million credit facility maturing October 22, 2025 (as amended and restated or otherwise modified, the "U.S. Credit Facility"), between Ciner Enterprises, as borrower, and Isbank, as lender, and certain

other persons party thereto. Ciner Enterprises' obligations under the U.S. Credit Facility were guaranteed by Ciner Corp and Ciner Holding (the "U.S. Guarantors") along with the Guarantors and were secured by certain assets including the common units and subordinated units (which in 2016 were converted into common units) then owned by Ciner Holding.

On February 22, 2018, as part of an internal reorganization, Akkan contributed 100% of the ownership interests of Ciner Enterprises to Kew Soda, upon which, Kew Soda contributed 100% of Ciner Enterprises to WE Soda. In connection with this internal reorganization, the Turkish Credit Facility and the U.S. Credit Facility were refinanced and replaced by a new bank facility. Such new bank facilities were further refinanced in connection with the closing of the Transactions described in Item 6.

On December 21, 2021, the Transactions described in Item 6 were completed.

#### **Item 4. Purpose of Transaction**

Item 4 is hereby amended in its entirety to read as follows:

Ciner Enterprises originally acquired and continues to hold an indirect interest in the Issuer as a long-term strategic investment in soda ash mining and production operations in the United States, a business complementary to others operated by the Reporting Persons and their affiliates outside the United States.

The following describes plans or proposals that the Reporting Persons may have with respect to the matters set forth in Item 4(a)-(j) of Schedule 13D.

(a) - (j) The information provided in Item 6 of this Amendment is incorporated by reference.

The Reporting Persons, as investors in New Resources and indirectly in the Issuer, intend to review their investment in the Issuer and have discussions with representatives of the Issuer and/or other unitholders of the Issuer from time to time and, as a result thereof, may at any time and from time to time determine to take any available course of action and may take any steps to implement any such course of action. Such review, discussions, actions or steps may include purchase or sale of units, business combinations or other extraordinary corporate transactions, sales or purchases of material assets, changes in the board of directors or management of the Issuer, changes in the present capitalization or dividend policy of the Issuer, changes to the Issuer's business or corporate structure, changes in the Issuer's certificate of incorporation or bylaws, actions that may impede the acquisition of control of the Issuer by any person, shared service agreements, collaborations, joint ventures and other business arrangements between or involving the Reporting Persons or any affiliate thereof and the Issuer. Any action or actions the Reporting Persons might undertake in respect of the common units will be dependent upon the Reporting Persons' review of numerous factors, including, among other things, the price level and liquidity of the common units; general market and economic conditions; ongoing evaluation of the Issuer's business, financial condition, operations, prospects and strategic alternatives; the relative attractiveness of alternative business and investment opportunities; tax considerations; and other factors and future developments. Notwithstanding anything to the contrary herein, the Reporting Persons specifically reserve the right to change their intentions with respect to any or all of such matters.

#### **Item 5. Interest in Securities of the Issuer**

The information in subparagraphs (a), (b) and (c) is hereby amended and restated in its entirety by the following:

- (a) New Wyoming is the record and beneficial owner of 14,551,500 common units, which, based on 19,725,696 common units outstanding as of October 27, 2021, represents 74% of the outstanding common units of the Issuer.

None of Ciner Enterprises, WE Soda, KEW Soda, Akkan or Mr. Ciner directly owns any common units of the Issuer; however, Ciner Enterprises, as the owner of 40% of the ownership interests in New Resources, WE Soda, as the owner of all the ownership interests of Ciner Enterprises, Kew Soda, as the owner of all of

the ownership interests of WE Soda, Akkan, as the owner of all of the ownership interests of Kew Soda, and Mr. Ciner, as the owner of all of the ownership interests of Akkan, may be deemed to share with Sisecam the beneficial ownership of the 14,551,000 common units representing 74% of the outstanding common units of the Issuer held of record by New Wyoming and beneficially by New Resources as of December 21, 2021.

- (b) The information set forth in Items 7 through 11 of the cover pages hereto is incorporated herein by reference.
- (c) Except as described elsewhere in this Amendment, none of the Reporting Persons or, to the Reporting Persons' knowledge, the Covered Individuals, has affected any transactions in the common units during the past 60 days.

#### **Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer**

On December 21, 2021, the Transactions contemplated by the Unit Purchase Agreement were completed. Pursuant to the Unit Purchase Agreement:

- Ciner Enterprises completed certain reorganization transactions whereby Ciner Resources Corp., a Delaware corporation converted into New Resources pursuant to Delaware law, with New Resources then indirectly owning 100% of Ciner Resource Partners LLC (the "General Partner"), the general partner of the Issuer, which holds an approximate 2% general partner interest in the Issuer and approximately 74% of the common units in the Issuer (collectively, the "Reorganization Transactions");
- subsequent to the Reorganization Transactions, Ciner Enterprises sold to Sisecam, and Sisecam purchased, 60% of the outstanding units of New Resources owned by Ciner Enterprises for a purchase price of \$300 million (the "New Resources Sale" and collectively with the Reorganization Transaction, the "Transaction"); and
- at the closing of the New Resources Sale, New Resources, Ciner Enterprises and Sisecam entered into a unitholders and operating agreement (the "New Resources Operating Agreement").

Pursuant to the terms of the New Resources Operating Agreement, Sisecam and Ciner Enterprises will have a right to designate six directors and four directors, respectively, to the board of directors of New Resources. In addition, the New Resources Operating Agreement provides that (i) the board of directors of the General Partner shall consist of six designees from Sisecam, two designees from Ciner Enterprises and three independent directors for as long as the General Partner is legally required to appoint such independent directors and (ii) the Issuer's right to appoint four managers to the board of managers of Ciner Wyoming LLC shall be comprised of three designees from Sisecam and one designee from Ciner Enterprises; however, all other management, voting, board of managers, or other equivalent representation rights with respect to General Partner shall be the same with respect to New Resources. Each unitholder shall vote all units over which such unitholder has voting control to elect to the board of directors any individual designated by Sisecam and Ciner Enterprises. Upon completion of the Transaction, Oguz Erkan and Huseyin Kusco were Ciner Enterprises' designees to the board of directors of the General Partner and Oguz Erkan was Ciner Enterprises' designee to the board of managers of Ciner Wyoming LLC. The New Resources Operating Agreement also requires the board of directors of New Resources to unanimously approve certain actions and commitments, including without limitation take any action that would have an adverse effect on the MLP (Master Limited Partnership) status of Ciner Resources or any of its subsidiaries. As a result of Ciner Enterprise's 40% interest in New Resources and its rights under the New Resources Operating Agreement, Ciner Enterprises, and WE Soda, Kew Soda, Akkan and Mr. Ciner, may be deemed to share with Sisecam beneficial ownership of the 2% general partner interest in the Issuer and the approximately 74% of the common units in the Issuer owned directly by New Wyoming and indirectly by New Resources as parent entity of New Wyoming. As a result of the foregoing and the shared beneficial ownership of the interests in the Issuer, the Reporting Persons may constitute a "group" with Sisecam for purposes of Section 13(d)(3) of the Exchange Act with respect to the interests in the Issuer described in this Schedule 13D.
