Item 3. Source and Amount of Funds or Other Consideration

Item 3 is hereby amended in its entirety to read as follows:

Ciner Enterprises and Akkan obtained the funds used in 2015 to acquire the initial investment in the Issuer and pay related amounts from an aggregate of \$50 million of capital contributions from affiliates of Akkan and by borrowing an aggregate of \$400 million under two credit facilities, each dated as of October 5, 2015. The first credit facility was a \$200 million credit facility maturing October 22, 2025 (as amended and restated or otherwise modified, the "Turkish Credit Facility"), between Akkan, as borrower, and Türkiye İş Bankası A.Ş. Kozyatağı Corporate Branch ("Isbank"), as lender, and certain other persons party thereto. Akkan's obligations under the Turkish Credit Facility were guaranteed by certain affiliates of Akkan (the "Guarantors") and are secured by certain assets. The second credit facility was a \$200 million credit facility maturing October 22, 2025 (as amended and restated or otherwise modified, the "U.S. Credit Facility"), between Ciner Enterprises, as borrower, and Isbank, as lender, and certain other persons party thereto. Ciner Enterprises' obligations under the U.S. Credit Facility were guaranteed by Ciner Corp and Ciner Holding (the "U.S. Guarantors") along with the Guarantors and was secured by certain assets including the common units and subordinated units (which in 2016 were converted into common units) then owned by Ciner Holding.

On February 22, 2018, as part of an internal reorganization, Akkan contributed 100% of the ownership interests of Ciner Enterprises to Kew Soda, upon which, Kew Soda contributed 100% of Ciner Enterprises to WE Soda. In connection with this internal reorganization, the Turkish Credit Facility and the U.S. Credit Facility were refinanced and replaced by a new bank facility. Such new bank facilities were further refinanced in connection with the closing of Ciner Enterprises' sale to SiseCam of 60% of Ciner Enterprises' ownership interests in New Resources (the "2021 Transaction") described in Item 6.

On December 21, 2021, the 2021 Transaction described in Item 6 were completed.

Item 4. Purpose of Transaction

Item 4 is hereby amended in its entirety to read as follows:

Ciner Enterprises originally acquired and continues to hold an indirect interest in the Issuer as a long-term strategic investment in soda ash mining and production operations in the United States, a business complementary to others operated by the Reporting Persons and their affiliates outside the United States.

On July 6, 2022, New Resources delivered a non-binding proposal (the "Proposal") to the Board of Directors of SiseCam Resource Partners LLC (the "GP"), the general partner of the Issuer, to acquire all of the issued common units, representing limited partner interests in the Issuer not already owned by New Resources or its affiliates, in exchange for \$17.90 in cash per issued and outstanding publicly held common unit of the Issuer, which represents the thirty day volume weighted average per share price, as of July 5, 2022. The foregoing description of the Proposal does not purport to be complete and is qualified in its entirety by reference to the full text of the Proposal, which is filed as Exhibit J hereto and is incorporated by reference in its entirety into this Item 4.

There can be no assurance that any discussions that may occur between New Resources and the Issuer with respect to the Proposal will result in the entry into a definitive agreement concerning a transaction or, if such a definitive agreement is reached, will result in the consummation of a transaction contemplated in such definitive agreement. Entry into a definitive agreement concerning a transaction and the consummation of any such transaction is subject to a number of contingencies that are beyond the control of New Resources, including the satisfactory completion of due diligence, the approval of the conflicts committee of the Board of Directors of the GP, the approval by holders of a majority of the outstanding common units of the Issuer, which would be satisfied upon the acceptance of the offer by SiseCam Chemicals USA Inc. and Ciner Group, and the satisfaction of any conditions to the consummation of a transaction set forth in any such definitive agreement.

Except as may be required by law, New Resources does not intend to disclose developments with respect to the foregoing unless and until the GP and New Resources have approved a specific transaction, if any, and the Issuer and New Resources have then entered into a definitive agreement to affect such transaction.

The Reporting Persons, as investors in New Resources and indirectly in the Issuer, intend to review their investment in the Issuer and have discussions with representatives of the Issuer and/or other unitholders of the Issuer from time to time and, as a result thereof, may at any time and from time to time determine to take any available course of action and may take any steps to implement any such course of action. Such review, discussions, actions or steps may include purchase or sale of units, business combinations or other extraordinary corporate transactions, sales or purchases of material assets, changes in the board of directors or management of the Issuer, changes in the present capitalization or dividend policy of the Issuer, changes to the Issuer's business or corporate structure, changes in the Issuer's certificate of incorporation or bylaws, actions that may impede the acquisition of control of the Issuer by any person, shared service agreements, collaborations, joint ventures and other business arrangements between or involving the Reporting Persons or any affiliate thereof and the Issuer. Any action or actions the Reporting Persons might undertake in respect of the common units will be dependent upon the Reporting Persons' review of numerous factors, including, among

other things, the price level and liquidity of the common units; general market and economic conditions; ongoing evaluation of the Issuer's business, financial condition, operations, prospects and strategic alternatives; the relative attractiveness of alternative business and investment opportunities; tax considerations; and other factors and future developments. Notwithstanding anything to the contrary herein, the Reporting Persons specifically reserve the right to change their intentions with respect to any or all of such matters.

The information provided in Item 6 of this Amendment is incorporated by reference.

Item 5. Interest in Securities of the Issuer

The information in subparagraphs (a), (b) and (c) is hereby amended and restated in its entirety by the following:

- (a) New Wyoming is the record and beneficial owner of 14,551,500 common units, which, based on 19,779,791 common units outstanding as of April 28, 2022, represents 73.5% of the outstanding common units of the Issuer.

None of Ciner Enterprises, WE Soda, KEW Soda, Akkan or Mr. Ciner directly owns any common units of the Issuer; however, Ciner Enterprises, as the owner of 40% of the ownership interests in New Resources, WE Soda, as the owner of all the ownership interests of Ciner Enterprises, Kew Soda, as the owner of all of the ownership interests of WE Soda, Akkan, as the owner of all of the ownership interests of Kew Soda, and Mr. Ciner, as the owner of all of the ownership interests of Akkan, may be deemed to share with Turkiye Sise ve Cam Fabrikalari A.S ("Sisecam") the beneficial ownership of the 14,551,000 common units representing 73.5% of the outstanding common units of the Issuer held of record by New Wyoming and beneficially by New Resources as of the date hereof.
- (b) The information set forth in Items 7 through 11 of the cover pages hereto is incorporated herein by reference.
- (c) Except as described elsewhere in this Amendment, none of the Reporting Persons or, to the Reporting Persons' knowledge, the Covered Individuals, has affected any transactions in the common units during the past 60 days.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

On December 21, 2021, the Transactions contemplated by that certain Unit Purchase Agreement (the "Unit Purchase Agreement") dated as of November 19, 2021, by and between Ciner Enterprises and Sisecam Chemicals USA Inc., a Delaware corporation and an indirect subsidiary of Sisecam were completed. Pursuant to the Unit Purchase Agreement:

- Ciner Enterprises completed certain reorganization transactions whereby Ciner Resources Corp., a Delaware corporation converted into New Resources pursuant to Delaware law, with New Resources then indirectly owning 100% of the GP, the general partner of the Issuer, which holds an approximate 2% general partner interest in the Issuer and approximately 73.5% of the common units in the Issuer (collectively, the "Reorganization Transactions");
- subsequent to the Reorganization Transactions, Ciner Enterprises sold to Sisecam, and Sisecam purchased, 60% of the outstanding units of New Resources owned by Ciner Enterprises for a purchase price of \$300 million (the "New Resources Sale" and collectively with the Reorganization Transaction, the "Transaction"); and
- at the closing of the New Resources Sale, New Resources, Ciner Enterprises and Sisecam entered into a unitholders and operating agreement (the "New Resources Operating Agreement").

Pursuant to the terms of the New Resources Operating Agreement, Sisecam and Ciner Enterprises will have a right to designate six directors and four directors, respectively, to the board of directors of New Resources. In addition, the New Resources Operating Agreement provides that (i) the board of directors of the General Partner shall consist of six designees from Sisecam, two designees from Ciner Enterprises and three independent directors for as long as the General Partner is legally required to appoint such independent directors and (ii) the Issuer's right to appoint four managers to the board of managers of Ciner Wyoming LLC shall be comprised of three designees from Sisecam and one designee from Ciner Enterprises; however, all other management, voting, board of managers, or other equivalent representation rights with respect to General Partner shall be the same with respect to New Resources. Each unitholder shall vote all units over which such unitholder has voting control to elect to the board of directors any individual designated by Sisecam and Ciner Enterprises. Upon completion of the 2021 Transaction, Tarlan Ogüz Erkan and Huseyin Kusco were Ciner Enterprises' designees to the board of directors of the General Partner and Tarlan Ogüz Erkan was Ciner Enterprises' designee to the board of managers of Ciner Wyoming LLC. The New Resources Operating Agreement also requires the board of directors of New Resources to unanimously approve certain actions and commitments, including without limitation take any action that would have an adverse effect on the MLP (Master Limited Partnership) status of Sisecam Resources or any of its subsidiaries. As a result of Ciner Enterprise's 40% interest in New Resources and its rights under the New Resources Operating Agreement, Ciner Enterprises, and WE Soda, Kew Soda, Akkan and Mr. Ciner, may be deemed to share with Sisecam beneficial ownership of the 2% general partner interest in the Issuer and the approximately 73.5% of the common units in the Issuer owned directly by New Wyoming and indirectly by New Resources as parent entity of New Wyoming. As a result of the foregoing and the shared beneficial ownership of the interests in the Issuer, the Reporting Persons may constitute a "group" with Sisecam for purposes of Section 13(d)(3) of the Exchange Act with respect to the interests in the Issuer described in this Schedule 13D.

Item 7. Material to Be Filed as Exhibits.

Board of Directors of Sisecam Resource Partners LLC, the General Partner of Sisecam Resources LP Five Concourse Parkway, Suite 2500 Atlanta, GA 30328

Attention: Members of the Board of Directors of Sisecam Resource Partners LLC

Re: *Non-binding proposal to acquire all publicly traded common units representing limited partner interests in Sisecam Resources LP (the "Partnership")*

Ladies and Gentlemen:

Sisecam Chemicals Resources LLC ("SCR LLC") is pleased to submit a non-binding proposal (the "Non-Binding Proposal") pursuant to which SCR LLC would acquire all of the outstanding common units representing limited partner interests in the Partnership not already owned by SCR LLC and its affiliates. As you are aware, SCR LLC owns approximately 14.6 million common units, representing approximately 75.2% of the outstanding common units of the Partnership.

Subject to the negotiation and execution of mutually acceptable definitive documentation containing terms and conditions customary for transactions of this type, SCR LLC hereby proposes to acquire all of the outstanding common units representing limited partner interests in the Partnership not already owned by the Company and its affiliates, in exchange for \$17.90 in cash per issued and outstanding publicly held common unit of the Partnership. Our Proposal represents the thirty day volume weighted average per share, as of July 5, 2022. SCR LLC is confident in its ability to fund the full purchase of all publicly held common units of the Partnership. It is not expected that the definitive documentation would contain any financing contingencies.

The transaction is expected to be structured as a merger between the Partnership and a wholly owned subsidiary of SCR LLC. We anticipate that you will delegate the authority to evaluate and negotiate this Non-Binding Proposal to a conflicts committee of the Board of Directors of Sisecam Resource Partners LLC ("SIRE GP") comprised entirely of independent directors (the "Conflicts Committee"). We welcome the opportunity to present this Non-Binding Proposal, as well as certain more detailed financial and other information, to the Conflicts Committee and its advisors at their convenience.

Please be advised that SCR LLC is interested only in acquiring all of the outstanding common units of the Partnership that SCR LLC or its affiliates do not currently own. SCR LLC has no interest in selling any of its or its affiliates' interests in the Partnership or the general partner of the Partnership, selling assets of the Partnership or the general partner of the Partnership or pursuing other strategic alternatives involving the Partnership.

No agreement, arrangement or understanding between the parties with respect to this Non-Binding Proposal or any other transaction will be created until such time as mutually satisfactory definitive agreements have been executed and delivered (if any). The submission of this Non-Binding Proposal has been authorized by the Board of Directors of SCR LLC; but the definitive agreements and the transactions contemplated thereby will require approval by the same Board of Directors as well as the Board of Directors and the Conflicts Committee of SIRE GP. Any such definitive merger agreement will also require consent of a majority of the Partnership's common units, for which the consent of the common units owned by SCR LLC and its affiliates would be sufficient under the Partnership's agreement of limited partnership. SCR LLC does not expect the transaction to require any regulatory approvals other than SEC review of the relevant filings. Accordingly, SCR LLC does not expect regulatory approvals will be an impediment to closing. SCR LLC reserves the right to withdraw this Non-Binding Proposal at any time, for any reason, at SCR LLC's sole discretion.

SCR LLC has engaged BofA Securities as its financial advisor, Steptoe & Johnson LLP as its legal advisor and Paul Hastings LLP as its special counsel, and is prepared to dedicate such resources as may be necessary to complete negotiations, execute definitive agreements and close the proposed transaction as promptly as practicable.

We expect that SiseCam Chemicals USA Inc. and Ciner Enterprises Inc. will promptly amend their Schedule 13D filings, disclosing this Non-Binding Proposal. SCR LLC looks forward to receiving the Conflicts Committee's response to this Non-Binding Proposal.

Sincerely,

SISECAM CHEMICALS RESOURCES LLC
